MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Hamilton Jordan,
29 November 1977 (*telephonic*)

1. I talked with Hamilton Jordan about the graphics work he was asking us to do. Told him we were pleased to help in any way and with the initial work we had no problem. Lately he had been getting into things which had domestic/political content and that I felt the CIA had to stay out of this.

2. I offered to have our graphics people help him find a commercial firm to do this work for him. I subsequently called and asked him to do that.
